

THERE'S AN ANIMAL IN JEOPARDY YOU CAN RESCUE.

And you won't even have to walk it.....Or..... change its litter box.

Sure you wish you could rescue every animal in need. But you may not have room for another pet. Or your travel and busy schedule prohibits it.

Well, don't let that stop you.

Now your donation of \$25 dollars or more will go directly to sponsor the rescue of a dog or cat. Just send us your check with the form below. In a short time, you'll receive a thank you with a picture of the animal you saved.

If you want to make a donation in another's name, we'll send a second card and photo to them as well. It's a great way to share with another animal lover the joy of knowing you saved a precious life.

Animal rescues take hours of preparation and a village of volunteers.
